Welcome new member

Please welcome The Honorable Ben Barnes to our group.  
State Representative 1961-1969  
Speaker of the House 1965-1969  
36th Lt. Governor 1969-1973

Ben, glad you are in our group. We created this group to help former members keep up with their colleagues; illness, injury, passing or positive things such as... well, shooting ones age on the golf course.

Please help us add members (such as Kent Caperton), or others, with whom you served.

Feel free to post items at your convenience.

Mike
